In the middle of winter, are you thinking about summer?
Would you like to come participate in tradition and have some
fun in the sun at the same time? Then come join Sylvan Swim
Team for the 2025 season!

We will welcome back swimmers from last year and invite anyone interested in joining us in
the passion for swimming. The only requirement is the willingness to learn and the ability
to swim one length of the pool.

If you feel that your children are not ready for swim team, we do have Lollipops on Parade
for those who are 8 and under. During this program, beginners and new swimmers will swim
at their own meet against others of their own skill level, earning a ribbon after each meet!
They can even get assistance across the pool if needed. It's a great way to get their feet wet!

The Sylvan aquatic staff also provides swimming lessons for all children. There is some-
thing for everybody.

Things to consider

- Each swimmer pays an assesment fee.
- Practice is held mornings Monday-Saturday.
- Practice begins when Highlands School District is finished.
- Swimmers are honored at an end-of-season banquet.
- Team suits are optional.
- Non-pool members can also join the swim team for an additional fee, so invite a friend looking for a fun summer team!

Help us grow our team!
